

Elena Petrova

Senior Frontend Engineer — Berlin, Germany
elena.petrova@example.com | +49 152 345 6789

Summary

Frontend engineer specializing in React and TypeScript. Cares deeply about performance, accessibility, and design systems that scale across teams.

Experience

Senior Frontend Engineer — ShopHive (Apr 2023 – Present)

- Lead frontend for the checkout flow (Next.js), improving Core Web Vitals to green across the board.
- Drove the accessibility program to WCAG 2.1 AA compliance.

Frontend Developer — PixelWorks (Jun 2020 – Mar 2023)

- Built and maintained the company design system (React, TypeScript, Storybook).
- Migrated a legacy jQuery app to React with zero downtime.

Education

BSc Software Engineering, Technical University of Berlin (2019)

Skills

React, TypeScript, Next.js, Redux, Tailwind CSS, Jest, Cypress, Vite, Storybook, accessibility

Languages

Russian (native) · English (fluent) · German (B2)
